ORDER

GREGORY H. WOODS, United States District Judge:

On October 14, 2022, counsel for each of the United States of America and OM Select LLC filed a “Stipulation and Order” (the “Proposed Order”) for execution by the Court. The Proposed Order contains a number of factual recitals, which the parties propose that the Court adopt. The Court declines to enter the Proposed Order at this time.

If the parties wish for the Court to enter the Proposed Order, they are directed to submit a sworn affidavit attesting to each factual assertion included in the Proposed Order. In addition, counsel is directed to review and comply with the Court’s Individual Rules of Practice in Civil Cases, particularly Rule 1.F. The Court will take action on the Proposed Order only after it has received the letter required by that rule and the affidavit described above.

Counsel for the United States is directed to serve this order on OM Select LLC and to retain proof of service.

SO ORDERED.
